

Electrolux Professional
Self-Service Laundry

‘Electrolux –
all-round turnover
and performance.’

Tobias Hurst, Launderette owner, Wash & Surf, Freiburg

Electrolux

Maximise revenue, minimise costs

Keep your customers smiling,
from the day they first enter
your Self-Service Laundry

*What keeps customers of coin-operated laundrettes coming back?
Quick access, great wash results and easy-to-use machines. And what's
the key to success for owners? Low running costs, fast processes for highest
customer rotation and no downtime thanks to dedicated service partners.*

Electrolux Professional boasts first-rate expertise in laundrette solutions, backed up by global leadership. We offer the largest and most flexible product range on the market. **Our solutions deliver major savings in every step of the process through 'Excellence inside' – intelligent features and unique extras:**

- ▶ Fast return on investment through low utility costs with Automatic Saving System and Eco Power
- ▶ Best wash results in shortest cycle times thanks to efficient programs and drum Speed Soak
- ▶ User-friendly operation using Compass Pro® with intuitive, multi-language control panel
- ▶ Long lifetime and trouble-free operations due to Super Balance™ / Power Balance and Support Rollers
- ▶ Quick maintenance and easy serviceability through best ergonomic design plus access to the world's largest service network
- ▶ 110 years of experience in the professional laundry business – complete solutions provider since the 1950s

Electrolux Excellence

Excellence is central to everything we do. By anticipating our customers' needs, we strive for Excellence with our people, innovations, solutions and services. Thus making our customers' work and life easier and more profitable.

Unique Service Excellence

Always near.
Always there for you

A reliable, global presence: Electrolux Professional offers the most extensive service network of skilled, authorised partners for daily tasks: installation, spare parts and maintenance. All of them provide efficient customer service and fast technical assistance. A global service network for prompt, expert advice worldwide.

- ▶ 1,900 authorised service centres
- ▶ Over 7,000 expert technicians
- ▶ 44,000 available spare parts in stock
- ▶ Spare parts are available for at least 10 years from the end of production
- ▶ 24–48 hr spare parts delivery worldwide
- ▶ 20,000 customers serviced every day

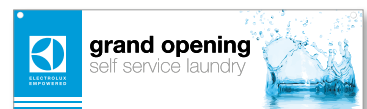

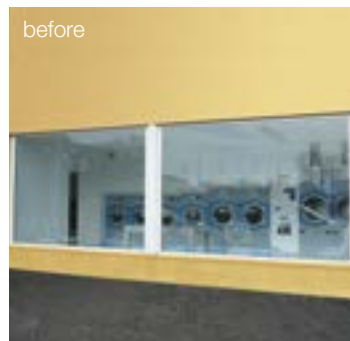

Excellence for your Self-Service Laundry

The full service spectrum, intelligent features and unique extras

Our self-service laundry concept goes a step further than the rest

In addition to supporting you during planning, installation and maintenance, we provide tools that help you highlight the world-class quality of your launderette's Electrolux Professional equipment and set you up for long-term success.

- ▶ Attract customers with the unique 'Electrolux Empowered' logo, promotional banners and outdoor signage
- ▶ Guide users with clear machine instructions, labelling and tips for fast and easy operation
- ▶ Increase overall customer loyalty with brand recognition and top-quality laundry solutions

Ultimate convenience and best washing comfort for busy self-service users

with the Text Management™ Information System

- ▶ Convenient – checks machine availability in advance
- ▶ Useful – sends a text message before the laundry finishes, so your customers can return to the laundrette
- ▶ Safe – locks the machine until the customer returns

Successful laundry management

with the Text Management™ Information System

- ▶ Automatic notification for preventative maintenance
- ▶ Direct information about machine failure (with error codes)

Cost savings in water and energy

- thanks to the Automatic Saving System
- Determines the load weight and adds the correct amount of water
 - Up to 50 % water savings for half loads
 - Energy savings due to less water to heat

Up to 15% energy savings

- thanks to Eco Power
- Calculates when garments are dry and automatically turns the dryer heat down to the cool-down temperature
 - Keeps turning until paid time is complete

Best utility cost optimisation

- with Compass Pro®
- Flexible and customisable
 - Up to 55 programs available of which 15 programmable

Most kg washed and dried/m²

- Smallest footprint on the market*
- Up to 40 % smaller in comparison to competitor machines

High quality drying results

- as a result of Reversing Drum Action
- Prevents tangling of large items
 - Reduces creases

Ease of use

- for all kinds of users with
- Multi-language menu selection
 - Easy instructions
 - Ergonomic design

Total detergent flexibility

- thanks to 4-compartment detergent box
- Load with softer, bleach, powder or liquid detergent at the same time

Time savings

- with fast and easy software upgrade
- USB connection on the front for easy access and faster service
 - Available on washer and dryer

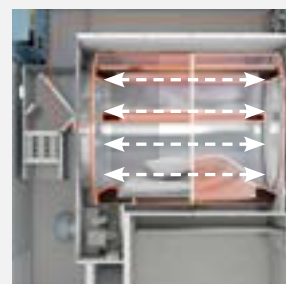

Best-in-class ergonomics and safety

- Robust door handle and lock mechanism
- Door locked through the whole wash cycle
- Immediate unlocking after last extraction

Maximum dewatering

- with Super Balance™ and Power Balance™ for faster drying
- Extra stability prevents unbalance
 - Lower maintenance costs, longer lifetime
 - Less noise from vibrations

Best drying results

- No over-drying thanks to Residual Moisture Control (optional)
- Measures the exact moisture content throughout the whole process
